

Guidelines for In-Person Worship

Familiarize yourself with the guidelines in an effort for us to have a safe and spiritual corporate worship experience:

- Join us on-line when you are feeling ill.
- Service begins at 8:00 a.m. on April 17, 2022, Easter Sunday morning.
- Beginning April 24, 2022, service time will resume at 9:30 a.m.
- Arrive 10-15 minutes before service time in order that ushers may assist you with seating. Seating will begin from the front of the sanctuary to the rear.
- Members of the same household may be seated together.
- Sanitize hands upon entrance into the building.
- Wear a face mask at ALL times.
- Maintain social distancing inside and as you exit the building.
- Use a prayer card for prayer requests.
- Follow the directions of the ushers when entering and exiting the building.

Your commitment during these very difficult times has been a tremendous source of support and encouragement to your sisters and brothers as well as to Pastor Grant.
