

Dear Jerusalem,

Providing a safe and healthy worship atmosphere is vital to the fellowship of our church. Protocols and other measures to ensure that everyone experience a special time with God and other believers are constantly being reviewed and implemented.

How can you help?

Arrive on time for all services and activities of the church (Hebrews 10:23-25).

Be observant of your surroundings and immediately notify a deacon or trustee concerning any suspicious activity, or person(s) on the church ground or in the building (1 Peter 5:8).

When you feel ill or unable to attend in person worship, tape delayed recordings of the sermon is available on our website.

Get to know and communicate with your fellow brothers and sisters in Christ.
(Colossians 3:12-17).

Keep privileged church information such as but not limited to financial matters, internal operations, reports, business meeting discussions and decisions among members. Let's all endeavor to keep the unity of the Spirit in the bond of peace (Ephesians 4:3).

Pray for the church mission and ministry (1 Thessalonians 5:17-18).

Love and forgive one another
(1 Peter 4:8).

As you go forgive somebody and as the opportunity presents itself share the love of Jesus Christ.

Let's all minister with eternity in view.
